Demi Hewamanna

The Fab Beatles

The countdown has already begun and there is exactly a few days more for the most memorable show to be performed in Colombo with the "The Fab Beatles", the number one tribute band for "the Beatles" and they have been living up to the name and truly paying tribute to one of the bands that have stuck in the minds of old and young, then and now.

The Fab Beatles- Live in Concert will be held at the Sri Lanka Exhibition and Convention Centre (SLECC) on September 18, 2010 at 7.30pm. The show will be compered by the renowned Vijaya Corea.

Prashan Butani and Yohan Fernando of Mystere Entertainment Lanka - have organized this spectacular event where they said that the band is picked by BBC as the 'Best Beatles Tribute Group' and that they are bound to keep the fans enthralled with Beatles favourites such as She Loves You, Can't Buy Me Love, Twist and Shout, Lady Madonna and more.

This is a show for the whole family and everything has been arranged in a very affordable manner for everyone to enjoy.

Mystere together with their team are running around, getting everything in place, making box plans, making seating arrangements to make everything comfortable not only for the performers but for the audience as well.

Tickets priced at Rs 5000 (reserved) are available at Bayleaf (79, Gregory's Road, Colombo 7), Commons (39A, Flower Road, Colombo 7) and Park Street Mews (50/1, Park Street, Colombo 2).
